

SEAGLASS
educational advising

**Jennifer Kolpacoff Deane,
PhD, CPCC**

OPTION 1

Discover your "Inner GPS"

Clarify your values, strengths, mental wiring, preferred activities and superpowers. Gain confidence and direction, and learn why the world needs you...exactly as you are!

OPTION 2

Career Navigator

Customized career exploration and mapping to fit your strengths and interests. We'll find your people, craft a stellar resume, and polish your pitch for seal-the-deal interviews. Let's get started on your best future!

OPTION 3

Rock Your Job

Workplace not working for you? You got this! Expert guidance to succeed in a professional setting - from communication and project management strategies understanding your Gen X or Millennial supervisor and leveraging opportunities at your specific workplace.

OPTION 4

Hourly Consulting

Need some focused and expert guidance on college, academic pathways, or where to start with your journey to career success? I'm here to help. Let's turn your questions into answers and doable action steps!
